Talk and Awareness Session Held for Senior Students on Preventing Crimes and Infringements

The Sukhbaatar Province Prosecutor's Office gave an awareness talk on crime and infringement prevention to more than 200 high school students of the province's General Education Schools No. 1, 3 and 4 and Temuulel Complex School.

Specifically, advice and information were provided on how to prevent crimes and infringements to which children are frequently exposed, as well as on how to avoid becoming involved in crimes and infringements themselves, and answers were given to their questions.
