Information Provided on Preventing Crimes “Against Military Service”

In Orkhon Province, as of the third quarter of 2024, 5 crimes against military service were registered and resolved by the courts. Specifically, these comprised 4 crimes of desertion from military service and 1 crime of evading military service by self-inflicted injury or other means.

The Orkhon Province Prosecutor's Office issued prosecutorial notices to the relevant agencies in the province regarding measures to prevent crimes of this type and to improve the legal knowledge of service personnel.

Information on the concept and prevention of crimes against military service was also provided to more than 270 officers and sergeants of Armed Forces Units 110 and 186.
