Issues to Consider in Supervising Citizens Subject to Coercive Measures Discussed

The Orkhon Province Prosecutor's Office held a meeting with the enforcement officer responsible for the execution of non-custodial sentences at Open Prison Unit 437 of the Court Decision Enforcement Agency, and with soum and bagh governors.

At the meeting, information was provided on the participation of soum and bagh governors in supervising persons who, in accordance with court decisions, received suspended sentences without imprisonment, were released early and placed under supervision, had the execution of their sentence postponed, or were subject to coercive measures, as well as on issues requiring attention.

> Under the Law on Enforcement of Court Decisions, soum and district governors are obliged to exchange information on citizens under supervision and to assist in providing appropriate employment to citizens whose sentence execution has been postponed.

During the meeting, participants identified directions for ensuring the implementation of the law and for future cooperation, and exchanged views on organizing training and activities for

citizens under supervision and supporting their employment.

Уг арга хэмжээнд Орхон аймгийн 2 сум, 26 багийн Засаг дарга нар оролцжээ.
