Participated in Capacity-Building Training Organized by the International Labour Organization

Олон Улсын хөдөлмөрийн байгууллагаас Бүгд Найрамдах Итали Улсын Турин хот дахь Нэгдсэн Үндэстний байгууллагын сургалтын төвд зохион байгуулсан “Олон Улсын хөдөлмөрийн хэм хэмжээ” сэдэвт сургалтад Прокурорын байгууллагын төлөөлөл оролцлоо.

More than 60 representatives from 24 countries in Asia and Africa took part in the training, which aimed to build participants' capacity to ensure the implementation of conventions reflecting the fundamental rights and principles at work defined by the International Labour Organization.

The training proved timely and significant in terms of the need to protect human rights and freedoms and the public interest in line with internationally recognized norms and principles, and to apply treaties and conventions at the decision-making level on a par with domestic legislation.

Incidentally, the International Labour Organization is a specialized agency of the UN dealing with labor issues and provides technical advice and support to member states through its offices located in more than 40 countries around the world.
