First Half of 2026: Complaints and Reports of Crime Increased by 1.7 Percent

In the first half of 2026, the prosecution service supervised 70,171 complaints and reports of crimes, a 1.7 percent increase over the same period of the previous year.

Of the complaints and reports of crimes, 74.4 percent were supervised by the Capital City, Transport and district Prosecutor's Offices, and 25.6 percent by local Prosecutor's Offices.

The complaints and reports supervised by the Capital City, Transport and district Prosecutor's Offices decreased by 2.6 percent compared with the same period of the previous year, while those supervised by local Prosecutor's Offices increased by 17 percent.

In terms of resolution, inquiry cases were opened in 24,348, or 34.7 percent; the opening of inquiry cases was refused in 28,918, or 41.2 percent; and in 10,014, or 14.3 percent, criminal cases were initiated and persons charged as accused, with 90.2 percent resolved, a 0.7 percent increase over the same period of the previous year.

Investigation Cases Increased

As of the first half of 2026, the prosecution service supervised 68,150 inquiry cases, a 5.3 percent decrease compared with the same period of the previous year.

By contrast, it supervised 22,448 investigation cases, a 46.5 percent increase over the same period of the previous year.

> Of all cases subject to inquiry and investigation, the majority, 64 percent, were crimes against property rights, 25 percent crimes against the inviolability of human health, and 10.4 percent crimes against vehicle traffic safety and operating rules. Fraud accounts for 65 percent of crimes against property rights.

In the first half of the year, 4,043 cases were resolved under the simplified procedure, a 74 percent increase over the same period of the previous year. Prosecutors sent 95 prosecutorial demands to investigative agencies to eliminate violations of law identified during investigations and the causes and conditions contributing to them, and 469 notices to businesses and organizations on crime prevention.

For the purpose of protecting violated rights, securing compensation for damage, and ensuring the enforcement of fines and confiscation of property, during investigations a total of 327 billion MNT in real estate, vehicle registrations, and transfers and movements of funds held in banks and other financial institutions were restricted, a 1-fold increase over the same period of the previous year, and property valued at 106 billion MNT was seized, a 3-fold increase.
