7,861,373 Infringements of the Law on Road Traffic Safety Recorded

A study by the prosecution service of infringements of “Violating the Law on Road Traffic Safety” under Article 14.7 of the Law on Infringements, registered in the “Unified Database of Infringement Registration and Information”, shows that as of October 30, 2026, a total of 7.8 million infringements had been recorded, twice as many as in the same period of the previous year.

Of the 7,861,373 infringements of “Violating the Law on Road Traffic Safety” for which penalties were imposed, penalties were imposed by courts for 25,415 and by authorized officials for 7,835,958.

The most common infringements were as follows:

-2,514,888, or 32 percent, were infringements of “violating an administrative normative act issued by the governor of a province or the capital city, in accordance with the legislation of Mongolia and the Road Traffic Rules, that establishes restrictions on vehicle traffic within their jurisdiction in order to regulate traffic congestion and delays”,

-1,501,205, or 19.1 percent, were infringements of “violating the rules on the positioning of

vehicles on the road as set out in the Road Traffic Rules”,

-1,069,921, or 13.6 percent, were infringements of “a driver violating the rules set out in the Road Traffic Rules on starting to move, changing direction or lane positioning”,

-478,203, or 6.1 percent, were infringements of “a driver or passenger of a vehicle failing to use a seat belt as required by the Road Traffic Rules”,

-361,835, or 4.6 percent, were infringements of “driving a defective vehicle in road traffic”,

-355,048, or 4.5 percent, were infringements of “a driver stopping a vehicle on a pedestrian crossing or on a pedestrian path where this is not permitted by road signs, in violation of the Road Traffic Rules, thereby obstructing the movement of pedestrians”,

-212,890, or 2.7 percent, were infringements of “a driver violating the rules on stopping or parking a vehicle on the carriageway as set out in the Road Traffic Rules, thereby obstructing the movement of other vehicles”; these infringements accounted for the largest shares.
